MEMORANDUM

TO: Common Council

FROM: Kevin Brunner, City Manager

DATE: December 6, 2011

RE: Comments on December 6, 2011 Agenda Items

1. Resolution Adopting 2012 Salary Resolution.

An annual salary resolution is required by State statute. However, there are no proposed increases for non-represented staff as was discussed previously with the Common Council. Final decisions regarding any adjustments to 2012 non-represented salaries will be determined sometime during the first quarter of next year after further wage negotiations discussions have taken place with the city's four collective bargaining units.

2. Amendment of Ordinance Prohibiting Sale of Synthetic Marijuana.

I support Police Chief Otterbacher's request to further clarify the definition of synthetic marijuana and the prohibition of its sale here in the city.

3. Annual Report from the Aquatic Center Board.

Representatives from the Whitewater Aquatic Center Board will be in attendance to present their annual report to the Common Council. Please note that during the past year the city did contribute \$50,000 towards energy efficiency improvements at the Aquatic Center and continues to provide a \$75,000 annual operating subsidy for the Aquatic Center.

4. Report on Narrow-Banding Radio Equipment Purchase Options/Authorization to Proceed with Purchase of Narrow-Banding Equipment.

I concur with the recommendation of the Narrow-Banding Committee of Radicom's Option #2. This option provides a mid-range cost of the various alternatives considered and also provides that the city's radio communications system can be upgraded to digital without significant expense. This option also uses existing equipment to complement any necessary new equipment that needs to be purchased to comply with the FCC requirements. This option also supports the Police, Public Works, Fire and Rescue Departments individual needs.

While I am concerned like some of you on the Common Council that this is essentially a sole source contract, I believe that it is necessary for us to continue to work with Radicom because they are the vendor that we have worked with for many years on our total radio communications and dispatch system. It is interesting to note here that Walworth County recently contracted with Radicom for similar upgrades to its radio communications system to comply with federal narrow-banding requirements. Walworth County's project was also a sole source project with Radicom and the County Board did not require a competitive bidding process.

It's very important that decisions are made this month on proceeding with the narrow-banding project. It will take nine to twelve months to fully implement the option recommended. Note that the cost of the narrow-banding project will necessarily have to be funded through the General Fund borrowing that is planned for Spring of 2012. In addition to this project, I anticipate that we will be borrowing for the Milwaukee and Prince Street reconstruction projects as well as a couple of smaller potential capital projects.

5. Approval and Replacement of Two Police Squad Cars.

The Police Department has solicited quotes for the replacement of two police squad cars that have been included in the 2012 budget. The low quote received came from Ewald of Oconomowoc, which has been awarded the State squad car bid. We also to provide you with the quote submitted by local vendor Ketterhagen Motors. The Ewald State bid is approximately \$1,000 less per squad car replacement. The Council may wish to consider awarding the bid to a local vendor; however, there will be the additional cost of \$2,000 to do so. Ketterhagen will continue to service the police vehicles if the Ewald bid is approved however.

6. Approval of 2012-2013 Ambulance Contracts.

Attached for your consideration and approval are ambulance contracts with the towns of Cold Spring, Koshkonong, Johnstown, Lima and Richmond. You will note that the Town of Whitewater ambulance contract is not part of this group of contracts for your approval due to the fact that we are still working on that contract with the town board. I anticipate that the town board will approve its contract with the City at its December 14th meeting and that we will subsequently bring a contract with the Town of Whitewater to the Council for its approval at its December 20th meeting.

7. Closed Session Item.

We have scheduled a Closed Executive Session pursuant to Wisconsin State Statutes to discuss 2012 City Employment and Compensation issues. Cameron Clapper is preparing a number of changes to the City Personnel Policy Manual that could impact on City employment and compensation next year and we would like to review some of those changes before formal amendments to the Employee Personnel Manual are brought to the Common Council for its consideration and approval at the December 20th meeting.

If any of you have any questions regarding any of these items please feel free to contact me in advance of next Tuesday's meeting.

**ORDINANCE AMENDING CHAPTER 1.25 TO PROHIBIT ENTRY OR PRESENCE IN
PUBLIC BUILDINGS IN CITY OF WHITEWATER
WHILE CARRYING WEAPONS**

The Common Council of the City of Whitewater, Walworth and Jefferson Counties, Wisconsin, do hereby ordain as follows:

Section 1. Chapter 1.25 of the City of Whitewater Municipal Code is hereby amended to read as follows:

1.25.010. Title.

This Chapter shall be known as, referred to or cited as The Public Buildings Weapons Ordinance of the City of Whitewater.

1.25.020. Authority.

The regulations adopted hereunder are adopted under the authority granted in Wisconsin Statute 943.13(1m)(c)4.

1.25.030. Purpose.

The purpose of this Chapter is to promote the health, safety and general welfare of this community.

1.25.040. Severability and Non-liability.

A. If any section, clause, provision or portion of this Chapter is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Chapter shall not be affected thereby.

B. If any application of this Chapter to any particular structure is adjudged unconstitutional or invalid by a court of competent jurisdiction, such judgment shall not be applicable to any other structure not specifically included in said judgment.

C. The City does not guarantee, warrant or represent that no weapons will be carried in public buildings and hereby asserts that there is no liability on the part of the City of Whitewater, the Common Council, its officers or employees for any damages that may occur as a result of reliance upon this Chapter.

1.25.050. General Provisions.

A. The City Manager shall cause signs to be erected at all entrances to all buildings owned, occupied or under the control of the City of Whitewater providing notice that no person is to enter or remain in any such building while carrying a firearm, an electronic weapon, a knife, or a Billy club. Such signs shall be five inches by seven inches or larger.

B. Nothing in this subsection shall be construed to prohibit a peace officer or armed forces or military personnel armed in the line of duty or any person duly authorized by the Chief of Police to possess a weapon in any public building.

C. Nothing in this subsection shall be construed to authorize the carrying of any firearm or dangerous weapon contrary to Wis. Stats. §§ 941.23 or 941.235.

1.25.060. Penalties for Violation. Any person who violates any of the provisions of this chapter shall, upon conviction thereof, be subjected to a fine of not less than two hundred dollars nor more than four hundred dollars, together with the costs of prosecution. Any person who violates any of the provisions of this Chapter for a second time within a one-year period shall, upon conviction thereof, be subjected to a fine of not less than three hundred dollars nor more than five hundred dollars together with the costs of prosecution. Any person who violates any of the provisions of this Chapter for a third time within a one-year period shall, upon conviction thereof, be subjected to a fine of not less than five hundred dollars nor more than seven hundred dollars, together with the costs of prosecution.

Section 2. This ordinance shall take effect upon passage and publication as provided by law.

Ordinance introduced by Council member Olsen, who moved its adoption. Seconded by Council member Winship. AYES: Olsen, Winship, Binnie, Singer, Kienbaum, Stewart. NOES: None. ABSENT: None. FIRST READING APPROVED: November 1, 2011.

Kevin M. Brunner, City Manager

Michele R. Smith, City Clerk

ORDINANCE AMENDING SECTION 1.21.010 SCHEDULE OF DEPOSITS.

**AN ORDINANCE AMENDING SECTION 1.21.010
SCHEDULE OF DEPOSITS**

The Common Council of the City of Whitewater, Walworth and Jefferson Counties, Wisconsin, do hereby ordain as follows:

CITY OF WHITEWATER
PLAN AND ARCHITECTURAL REVIEW COMMISSION
Whitewater Municipal Building Community Room
October 10, 2011

ABSTRACTS/SYNOPSIS OF THE ESSENTIAL ELEMENTS OF THE OFFICIAL ACTIONS OF THE PLAN AND ARCHITECTURAL REVIEW COMMISSION

Call to order and roll call.

Vice-Chairperson Binnie called the meeting of the Plan and Architectural Review Commission to order at 6:00 p.m.

Present: Meyer, Binnie, Dalee, Parker, Coburn.

Absent: Torres, Miller.

Others: Wallace McDonell (City Attorney), Mary Nimm (Interim Manager, Neighborhood Services).

Vice-Chairperson Binnie welcomed Bruce Parker as a new member of the Plan Commission (Park Board Representative to the Plan Commission) and appreciated his willingness to serve.

Hearing of Citizen Comments. No formal Plan Commission action will be taken during this meeting ON CITIZEN COMMENTS although issues raised may become a part of a future agenda. Items on the agenda may not be discussed at this time.

There were no citizen comments.

Approval of the minutes of September 12, 2011.

Moved by Coburn and seconded by Dalee to approve the Plan Commission minutes of September 12, 2011. Motion approved by unanimous voice vote.

Public hearing for the consideration of an amendment to the conditional use permit to replace the freestanding sign for Sigma Sigma Sigma Sorority at 619 W. Main Street. Vice-Chairperson Binnie opened the public hearing for the consideration of an amendment to the conditional use permit to replace the freestanding sign for Sigma Sigma Sigma Sorority at 619 W. Main Street.

Interim Neighborhood Services Manager Mary Nimm explained that the Sorority had come to the City about a month ago when the City noticed they had installed a new sign without a permit. The sorority is here to amend their conditional use permit to allow for the replacement of their sign. The new sign does meet the standards of the sign ordinance for this use.

Sierra Hinklin, the Sorority President, was present to answer any questions.

There were no public comments. Vice-Chairperson Binnie closed the Public Hearing.

Plan Commission Member Coburn noted that the sign was austere and asked how the sign was chosen. Coburn also asked if there were going to be any plantings around the sign to which Sierra Hinklin stated that the sign was chosen by the Sorority's Alumni Housing Corp. and that there were no plantings planned for around the sign.

Plan Commission Member Parker asked about lighting for the sign or if there were plans for lighting in the future.

Sierra Hinklin stated that there is no lighting. She did not know if there would be lighting planned for the future.

Parker reminded Cartwright to bring any future plans to the City for approval.

Coburn moved approval. Meyer seconded. Motion approved by unanimous roll-call vote.

Future agenda items

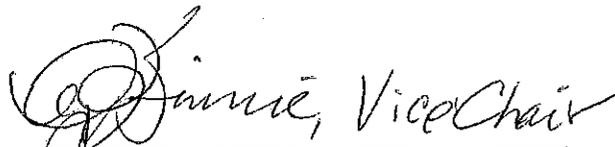

No future agenda items at this time.

Vice-Chairperson Binnie and the Plan Commission thanked Mary Nimm for her services to the City of Whitewater, CDA, Planning, Zoning and Neighborhood Services. Mary's last day with the City will be October 21, 2011.

Greg Meyer announced that the steering committee for the re-write of the Zoning Ordinances was postponed and would be rescheduled for later in the month.

Next regular Plan Commission meeting- November 14, 2011.

Moved by Meyer and seconded by Coburn to adjourn at 6:10 p.m. Motion was approved by unanimous voice vote.

6. Old Business:
 - a) Library Building Expansion Project: Connie Meyer reviewed the planning process and development of the Dwight Foster Public Library's recently completed building expansion program and provided a timeline of the project spanning a 10 year period from initial community survey to completion in 2011. Following discussion, the board decided to review ILY's timeline in November 2011, review our current expansion plan in December 2011, and meet with a consultant about the project in January 2012.
 - b) Council and Community Communications: Lunsford will provide monthly reports on library services and activities to the Council.
 - c) FY 2012 Budget: approval moved by Winship/Knight. Ayes: Caldwell, Helmick, Knight, Nosek, Winship, Leaver. Noes: None.
7. New Business
 - a) Mid-Wisconsin Federated Library System 2012 Annual Plan was reported to the board.
8. Director's Report:
 - All staff completed three separate sessions of online OverDrive training on the basics of using OverDrive, their mobile apps, and patron assistance.
 - Lunsford spoke to the Rotary Club on Tuesday, October 4, about Playaways, OverDrive, e-readers, Mango, and elimination of the print reference section to provide more seating and emphasized the continued need for a library addition.
 - The last of the computers purchased with the Gates Hardware Opportunity Grant has

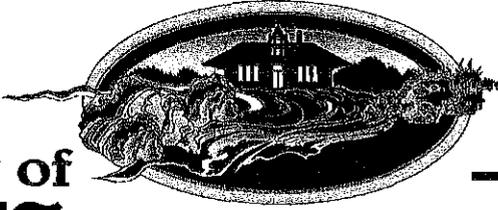

CA-C

been received and the final survey for the grant was completed on Friday, October 7.

• Lunsford attended the Chancellor's Literary Award dinner and reading on Monday, October 10. She thanked the board for changing the meeting date so that she could attend.

9. Board member reports: None
- 10.. Board member requests for future agenda items: None
11. Confirmation of next meeting on November 14, 2011, 6:30 p.m.
12. The meeting was adjourned at 8:30 p.m.

Closed Session Meeting
August 27, 2011
8AM**

Call To Order: Police Commission President Jan Bilgen Craggs called the closed session meeting of the Whitewater Police Commission to order at 8:50AM.

Members Present: Jan Bilgen Craggs, Jim Olsen, Dennis Knopp, Ken Kidd, and David Haberman.

Also Present: Ed Moffett and Bob Roberts of Moffett and Associates.

The purpose of the closed session meeting was to interview the final four Chief of Police candidates: Hunter Gilmore, Harold Minch, Lisa Otterbacher, and Gary Wieczorek.

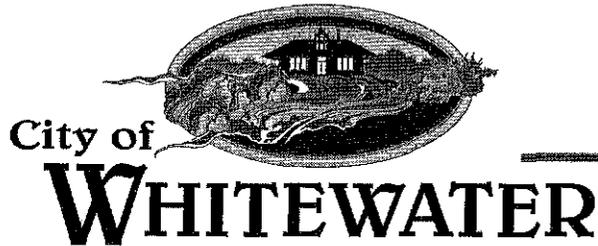

At the completion of the interviews the commission received input from City Manager Kevin Brunner and Police Lt. Tim Gray regarding the time they spent with the candidates giving them tours of the city and police station.

After all the information was reviewed it was the decision of the commission to offer the Police Chief job to Lisa Otterbacher.

At 3:15PM Jim Olsen made a motion, seconded by Dennis Knopp to return to open session. Motion carried.

Respectfully Submitted,

David Haberman, Secretary

Dear Council members:

There will be an amendment to Chapter 7.27, Possession, Use and Sale of Synthetic Cannabinoid Substances Prohibited, on the agenda for December 6, 2011. This amendment is recommended because the State of Wisconsin made the possession of synthetic cannabinoids a criminal act after the time we enacted our ordinance prohibiting the possession, use and sale of synthetic cannabinoids. Under the statute, the City can make first offenses an ordinance violation by adopting the state statute. The enclosed ordinance adopts the state statute. This is a similar procedure as to what is used for first offense THC ordinance violations.

I will be happy to answer any questions you may have at the council meeting. I have enclosed a copy of the applicable sections of Wisconsin Statutes § 961.14 and 961.41 for your information.

Sincerely,

HARRISON, WILLIAMS & MCDONELL, LLP

Re: Narrow Banding FCC Regulation

As a follow up to the city council meeting of September 27th, a narrow banding committee comprised of public safety and public works representatives would like to seek official direction from the city council regarding the implementation of the federal regulation mandate for narrow banding. The narrow banding committee members included Chief Gregoire, Captain Schopen, Chief Otterbacher, Public Works Director Fischer, Public Works Superintendent Chuck Nass, Records/Communications Coordinator Melody Lentz, and UW-Whitewater Sergeant Schouten.

To ensure the city council is kept informed, we have been working on this proposal for several months and have been involved in several strategic planning sessions, one in which two primary radio vendors were included. There are three communications companies that are traditionally used by local law enforcement agencies; Radicom, General Communications (merged with Evans) and Motorola. The members of the narrow banding committee have worked with all three vendors with portable and squad radios, but have only worked with Radicom and General Communications specific to the communications center. Based on financial constraints, we did not invite Motorola to our strategy meeting; police, fire and rescue have all gone away from the Motorola portable radios due to their high cost. The Whitewater Police Department, as did the Walworth County Sheriff's Department, previously contracted with General Communication for the communications center and all radio equipment. The contracts were subsequently discontinued because of their lack of functional knowledge related to the mechanics of the communication center, which differs from basic radio repair and installation.

On Thursday, August 18, 2011 the narrow banding committee hosted a strategy meeting to discuss the FCC regulations and the pending mandate of narrow banding. Meeting attendance included all members of the narrow banding committee and the two radio vendors, Radicom and General Communications. At this meeting we discussed the implementation of narrow banding and the concerns we had with maintaining effective radio communications, the desire to incorporate future communications needs, and outlined what additional equipment would be necessary to maintain the existing performance levels.

Shortly after the meeting, Radicom and General Communications provided their written quotes and recommendations. After reviewing the quotes, the committee felt that Radicom's estimates included each of the aspects that were requested by the committee; specifically a quote that included the minimum requirements from FCC, and an enhanced model that had the ability to be digitally compatible. Radicom provided a third quote that was a standalone digital operation system. In

checking with Walworth County, who have completed their narrow banding transition opted to remain with their current radio vendor because it was a part of a larger project so there was a sole source request for the project that was accepted and I did not have to go through the RFP.

Below is basic recap of the information that was provided in the power point presentation to the city council on September 27, 2011. The attachments included are the three quotes from Radicom and the quote from General Communications. I have also included a memo from Records/Communications Coordinator Melody Lentz outlining concerns about General Communication's bid. The memo highlights the reasons why we collectively chose to proceed with Radicom over General Communications.

As a recap of the September 27th meeting we provided information on the FCC requirement regarding narrow banding:

- In an effort to promote greater spectrum efficiency, the FCC is requiring all public safety and industrial/business licensees using 25 kHz VHF and UHF radios systems to migrate to minimum 12.5 kHz efficiency by January 1, 2013.
- Existing licensees may continue to operate previously certified equipment in the 25 kHz mode until Dec 31, 2012.

A summary of the four options that were reviewed by the narrow banding committee are as follows:

❖ RADICOM OPTION ONE:

- lowest quote that adheres to FCC mandate
- digitally compatible limited to only mobile and portable radios (no base stations)
- a decrease in radio range
- no additional equipment to enhance existing system (repeaters, voters, etc.)
- base stations cannot be upgraded to be digitally compatible in the future
- The quote is \$152,183

❖ RADICOM OPTION TWO:

- mid-range quote
- adheres to FCC mandate
- uses existing equipment with complimented new equipment to make system digitally compatible
- provides some infrastructure and future compatibility of a digital radio system (base stations, mobiles, and portables)
- sustaining existing radio range, with some enhanced radio range (adding 2 repeaters and 4 voters) for police, fire and rescue
- provides some future interoperability with the state's digital system (WISCOM; mutual aids / prisoner transports / etc)
- decreases the amount of frequency interference on existing system
- provides police, fire and rescue with quality radio reception by use of repeater and voter system
- new repeater system provides reliable backup radio communications (currently non-existent, back-up channel doesn't have a repeater)
- The quote is \$229.250 (*WFD added a few pieces of equipment and Public Works removed some equipment. The final cost, which may be slightly lower or higher will be presented at the city council meeting)

❖ RADICOM OPTION THREE:

- most costly quote
- adheres to FCC mandate
- fully digital (police) system
- replaces all existing equipment to make system viable for future upgrades
- provides interoperability with the state's digital system (WISCOM; mutual aids / prisoner transports / etc)
- new repeater system provides reliable backup radio communications (currently non-existent, back-up channel doesn't have a repeater)
- The quote is \$467,040.00

❖ GENERAL COMMUNICATIONS OPTION ONE:

- midrange quote
- adheres to FCC mandates
- includes a base station, repeater and 3 voting systems
- the upgrade is not digital compatible
- the bid does not include (but was requested) costs for replacement, reprogramming or retuning of all departments mobile and portable units, and mainly includes reprogramming existing base stations (13 years old)
- the quote does not include an additional repeater (requested) that is necessary because the existing system has no back-up capabilities if the campus repeater fails or they remove access
- the voting installation system was cheaper, but it provided one less voter and the connection was via a phone line which requires a monthly cost that is not correctly calculated in the quote; the correct cost would be an annual fee of \$3,385.20 susceptible to unplanned increases
- The quote is \$90,825.70

The quote recommended by members of the narrow banding committee is Radicom's option #2-because it provides a mid-range cost and the system can be upgraded to digital without significant expense. This option uses existing equipment to compliment any necessary new equipment to comply with FCC requirements (not a completely new system), and the system supports police, public works, fire and rescue individual needs.

We are seeking direction as soon as possible so that we may apply for new radio frequencies and the equipment can be ordered. The comprehensive project will take several months to complete.

WHITEWATER POLICE DEPARTMENT
INTEROFFICE MEMORANDUM

TO: Chief Lisa Otterbacher
FROM: RCC Melody Lentz
SUBJECT: General Communications Bid
DATE: November 29, 2011
CC: Capt. Brian Uhl

Chief,

I have attached copies of the bid proposals from General Communications. The following is an explanation of their bid.

1. The bid from General Communications totals \$90,825.70.
2. This bid is for base station, repeater, and voting system equipment ONLY.
3. General Communications did not provide any bid proposals for the replacement, reprogramming, or retuning of existing mobile radios or portable radio which each city department had listed, therefore, the bid is incomplete.
4. The quote is for the reprogramming and retuning of current existing base stations which is already 13 years old. None of our mainly used base stations will be replaced with new equipment.
5. This quote does NOT include any options for digital capable radios and does not plan for the future. Due to it being entirely analog based equipment, we would more than likely have to make supplemental equipment purchases in order to be eligible to secure future interoperability grant funding should the opportunity arise.
6. This quote only provides for ONE backup control station and that is for the UW repeater channel only.
7. This quote does NOT provide for any backup base stations for the Fire/Rescue, Municipal, or Police 2 channels. Therefore, for example, if the base station for the Fire/Rescue channel failed, the Communications Center would have no way of paging Rescue. The same would apply to Fire if the Municipal channel were to fail. Failure to have a back up in place is a liability risk.
8. The voting system in the quote would connect to the UW Repeater channel. The City would still be reliant on another agency for their main radio communications.
9. The voting system connection is by phone line. General Communications lists the approximate cost for each voting circuit as \$60/mo(\$180). The actual cost for the 3 circuits, due to the distance measured between voting & repeater sites, is \$282.10/mo, or \$3,385.20/yr. This of course is a cost paid to AT&T would could be susceptible to increase at any time.

10. It appears General Communications has left the WW Lake repeater as is and it would be in addition to the voting and repeater system they have listed in the bid itself.

If you have further questions on anything I have listed, please feel free to contact me.

Coverage Recommendations:

We recommend adding 3 receiver sites to improve coverage on the Police and Fire Repeater System. I am still waiting on coverage map analysis that will be provided later. The below options are for adding receivers for the Fire and Police channels. The first option is for the one repeater channel and the 2nd option is to add it to a 2nd repeater. I recommend using RT circuits from your local provider. The monthly estimate for each circuit is \$60/circuit. However, I will provide a microwave quote for your comparison. The microwave quote is pending path analysis from our coverage studies.

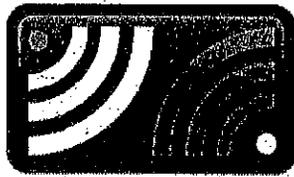

OPTIONAL: Voting Receivers for 3 Sites

Dear Gary:

This is in response to your electronic request Tracking Number: 03041188852084QU We have obtained the following information regarding your request:

Hello Gary
The pricing has not changed. The quote you attached is for an intra-wire center 2004 ckt where the circuit legs are 1/4 mile apart. If this is the same scenario for Whitewater, the pricing would be the same.
If, for example, the locations are more than 1/4mi apart, each addl 1/4 mile would be 10.85 more per month.

Hope this info helps.

Thank you
Kathleen

Future status on your request may be forthcoming. AT&T values your loyalty and is committed to providing you with timely and efficient service.

Re: 2012/2013 Ambulance & Crash Rescue Service Agreements

Dear Mr. Walling:

Attached please find for your review and consideration two original 2012-2013 Ambulance/Crash Rescue Service Agreements between the City of Whitewater and the Town of Koshkonong. Please have the applicable town officials sign and return both copies of the agreement to me. We will then execute the documents and return one original to the town.

I need to highlight a couple of items pertaining to the new standby charges included in this agreement.

The methodology used to calculate the standby charges is the same used back in 2003 when the original agreements were negotiated. All ambulance/crash rescue costs and revenues have been updated based upon the projected City 2012 Budget for these services.

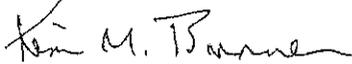

Please note that the City is upgrading its radio communications system in 2012 to comply with federal narrowbanding requirements. We currently estimate this cost to be \$330,000 which we intend to issue bonds for and then repay over a ten year period. We estimate that ten (10) percent of the cost of these necessary radio upgrades should be borne by ambulance/crash crew services based upon the average annual total call volume received for these services compared to calls received for all services including police (both City and UW-Whitewater) and fire.

There has also been a shift in the utilization of the ambulance/crash rescue services between the City of Whitewater and the surrounding townships served. Based upon the 2010 and 2011 (through September 30th) actual ambulance/crash rescue runs made, the City utilization of the service has increased from 71.5% to 79.85% whereas the township utilization has decreased from 28.5% to 20.15%. A detailed report on the 2010 and 2011 service is enclosed for your review and information.

C-6

If you have any questions regarding this agreement, please feel free to contact me. The City of Whitewater and the Whitewater EMS are pleased to continue to provide this very valuable and essential service to your township residents.

Sincerely,

Kevin M. Brunner,
City Manager

TOWN OF KOSHKONONG

November 10, 2011

City of Whitewater
Office of City Manager
312 West Whitewater St.
Whitewater, WI 53190

Re: 2012/2013 Ambulance & Rescue Service Agreement

Dear Mr. Brunner:

Enclosed is the signed and accepted service contract for ambulance and rescue services from the City of Whitewater.

On behalf of the Town Board of Koshkonong, we would like to thank you and the City of Whitewater for your service and willingness to keep costs in line the current economic conditions.

Please forward the signed copy to us when completed.

Sincerely,

Kim Cheney &
Town Board

**WHITEWATER VOLUNTEER FIRE DEPARTMENT
AMBULANCE SERVICES AGREEMENT**

THIS AGREEMENT, made effective the 1st day of January, 2011, by and between **THE CITY OF WHITEWATER**, a municipal corporation, of the State of Wisconsin (hereinafter referred to as the "City"), party of the first part, and the **TOWNSHIP OF KOSHKONONG**, a Township in the State of Wisconsin, County of Jefferson, State of Wisconsin (hereinafter referred to as the "Town"), party of the second part:

WITNESSETH:

WHEREAS, the parties declare and acknowledge that the Town is in need of ambulance and emergency response services for Town residents, for persons using town roads, and for persons otherwise in the Town; and

WHEREAS, the City has the equipment and personnel to provide the Town with ambulance and emergency response services; and;

WHEREAS, the parties understand and agree that the feasibility of providing ambulance and emergency response services is dependent upon said service being financially self-sustaining; and

WHEREAS, the City and Town, acting through their respective governing bodies, have endorsed the establishment of said ambulance and emergency response service and have duly adopted an ordinance or resolution committing each of them to the obligations provided hereinafter to be assumed and performed by the City and Town respectively.

NOW THEREFORE, the parties do covenant and agree as follows:

1. The City agrees to provide ambulance and emergency response service to all persons from the Town requiring emergency care and/or transportation. In providing this service for the Town, the City shall provide such ambulance and emergency response services as are provided to the City of Whitewater and it is expressly understood by and between the parties hereto that prior to entering into this contract, the parties have discussed the equipment and manpower available to furnish this service is limited by the equipment and manpower on call; the parties agree that the City will provide ambulance and emergency response service normally on a first call first served basis wherever the call may emanate from, the City, Town or other municipality.
2. The City agrees to provide all equipment and manpower necessary for ambulance and emergency response services and to provide adequate insurance to cover emergency services equipment, drivers, assistants and patrons. The City's liability shall be limited to that covered by insurance hereinbefore described.

The Town agrees to pay the City \$1,152 a year as a standby charge; the City agrees to bill all Town patrons for ambulance and emergency response services pursuant to the schedule for ambulance and emergency response service charges established by the City Manager. The City agrees to use its best efforts to collect all bills for such services, but it is expressly understood and

agreed that the City will not be required to commence legal action to collect any such bills, and should said ambulance bills be unpaid for four (4) months from the original date of the billing, said bill shall be tendered to the Town and the Town expressly hereby agrees to reimburse the City the total amount of any such bills outstanding. If the Town does not receive the delinquent bill within four (4) months, the Town is not responsible for collection or liable for payment of the bill.

It is also expressly agreed and understood between the parties that the standby charge shall be due in two installments: \$1,152 by February 15, 2012 and \$1,152 by February 15, 2013.

- 3. The term of this Contract shall commence effective the 1st day of January, 2012, and terminate on the 31st day of December, 2013. However, either party may terminate this contract by a two (2) month written notice to the other party.

IT IS FURTHER HEREIN AGREED AND UNDERSTOOD, that if this contract does not cover the entire Township; it is the responsibility of the party of the second part to advise party of the first part the exact service area to be covered.

Dated effective the 1st day of January, 2012.

INTEROFFICE MEMORANDUM

TO: Whitewater City Council

FROM: Captain Brian Uhl

SUBJECT: 2012 Squad Car Purchase

DATE: November 21, 2011

CC: City Manager Brunner, Chief Otterbacher

I have been working very hard to get the best possible price for the city in relation to the purchase of two new squad cars for the police department. I have contacted the Ewald Auto Group in Oconomowoc, WI as well Ketterhagen Ford here in Whitewater. Ewald Auto Group has received the state bid for the last several years and is thus afforded special pricing discounts from Ford because of the large volume of cars they order for agencies across the state.

In an attempt to buy locally, I contacted Kurt Ketterhagen to see if he would be able to match the bid I received from Ewald. Kurt has been gracious in working with the police department and has given me a bid for his costs. Unfortunately, the bid from Ketterhagen is \$956.88 more per car than Ewald's bid.

I have included a cost comparison spreadsheet for your review. The options listed on the spreadsheet were options we felt were needed for police purposes. These options were settled upon in collaboration with Chuck Nass and the police department Squad Committee. The numbers do not include the cost to change over the equipment i.e. radios, computers, light bars, cages, etc.

Both Chief Otterbacher and I will be present at the council meeting for any questions you may have.
