Tami,

These street closure requests will need City Council approval. We will place on next Tuesday's (10/25) agenda for Council consideration and approval. That's the same night that the Downtown Budget request for 2012 will be considered.

Thank you for asking and yes I did. There is only one First Street Business and that is Ketterhagen and he closes at noon on Saturdays and said it would not affect him.

On another note I need to request the street closure for The Christmas Parade. The Parade will be Friday, December 2, 2011 at 6 pm. It will start at Whitton Street and end at Cravath Lake Park. The Parade will travel East down Main Street to Whitewater Street. Turn onto Whitewater Street and end at Cravath Lake Park.

Thanks so much,

Tami,

Have you first discussed with the First Street businesses that might be affected? I have no problem approving this but want to make sure that all affected businesses are aware of this closure.

**Importance:** High

I am requesting that First Street be closed from Main Street to North Street from noon until 9 pm. Also North Street from their parking lot entrance to the construction zone. From noon until 4 pm we will be setting up games, mazes and bouncy houses and from 8 pm until 9 pm we will be cleaning up from 8 pm to 9 pm.

On North Street this will still allow access to the Main Street Shops Parking Lot and to the Armory Parking Lot. On First Street we will open the section of the road to allow for in and out access of the Private Parking Lot behind Ketterhagen Building (Corner Building on Main and First Street).

If you have any questions, please call and thank you very much.
