

## **NOTICE OF PUBLIC MEETING REGARDING WASTEWATER TREATMENT PLANT IMPROVEMENTS**

The City of Whitewater will be holding a **Public Information Meeting** open to all citizens, for the purpose of providing an opportunity to obtain information about the **proposed improvements to the Wastewater Treatment Facility**. City Staff members will be present to answer questions. Citizen input and commentary is encouraged and would be appreciated.

The session will be held on **June 23, 2015 from 4:30 p.m. – 6:30 p.m.** The meeting will be held at the Wastewater Treatment Plant (Main Control Building), 109 County Highway “U”, Whitewater, Wisconsin. Please call the Wastewater Treatment Plant at (262) 473-5920 with any questions or if you need directions.

**The Public Information meeting will be followed by a meeting of the Common Council, which begins at 6:30 p.m.** The Common Council will tour the Wastewater Treatment Facility, and will have an opportunity to ask questions and provide input. This tour is also open to the Public. There will be no formal action at this Common Council meeting.
