

Whitewater K-9 Fund T-Shirt Order Form

We are raising funds to create our first ever K-9 unit for the City of Whitewater. Our goal is to select a Labrador Retriever that would be used most often for the detection of controlled substances on traffic stops, finding missing persons, search warrants, consent searches, and school/business locker and vehicle searches as well as other searches related to arrest. Your shirt purchase will assist in the funding of this needed addition to our great department.

Only \$15 each
